

Welcome to Pant Memorial Hall

Legal covid-19 restrictions no longer apply from July 19th.

We still recommend the following measures:

- Fresh air: open lots of windows!
- Wash or sanitise hands frequently
- Wear a face covering if you feel that it is appropriate
- Do not enter if you are isolating or unwell

...and please take ALL your rubbish and belongings away - this is a no bin zone!

We provide cleaning wipes and sprays for use on touch points. Help yourself or ask your event organiser.

Thank you for using Pant Memorial Hall - please look after each other.
