

Medical services locations for Pant

This information is current as of 19th July 2021 and may change without notice.
 Call 999 if life-threatening, 111 for advice otherwise.

Make sure that you are going to the right service in the right place - call ahead.

This is a semi-rural location and there are no 24 hour services except A and E.

EE and 3 coverage are poor in this area. O2 and Vodafone have signal.
The phone box outside the kitchen is usable for calls.
