

VOLUNTEERS WANTED!

The trust behind the memorial hall dates back to 1922, making this year the trust's centenary.

The hall is run, as a charity, entirely by volunteers, and we would welcome your help.

This doesn't have to mean being a member of the committee, although additional trustees would be welcome.

We also need people who can assist with general maintenance, organise events, and promote the hall.

If you are interested in helping, please complete this slip and drop it in the box provided. Thank-you.
