

Medical services locations for Pant - as at April 2023

Call 999 if life-threatening, otherwise 111

Nearest defibrillator; on the outside wall of the shop across the road. Ambulance service will give you the code for the box

This is a semi-rural location and there are no 24 hour services except A and E.

EE and 3 coverage are minimal in this area. O2 and Vodafone have signal. The phone box outside the kitchen is usable for calls. There is no wifi in the hall.

All travel times are by car; public transport will take much longer. No buses evenings/Sundays
